**JOIN THE  
BATTALYANS.**

Battalyana, Goddess of Battle, was born 1268 B.C. She was the unknown daughter of Enyo, Goddess of War and was kept hidden for thousands of years. The reason for the rise of Battalyana can only be guessed, but it is believed that her mother released her in 2016 to raise her own strong and determined army of Battalyans to conquer the world with the best performing athletes out there.

## COLLECTION 2018

### BTTLNS ORIGINALS

## SEA WARFARE

The BTTLNS Sea Warfare collection consists of everything you need to battle in the first of three sports that triathlon incorporates; the swimming part, in which the wetsuit is a key factor.
